when malaysians talk about harmony most of the time they're referring to racial and religious harmony yet in this collection of 10 plus 2 works we also explore the vast expanse of what harmony is from being at peace with oneself familial relations and the cyclical nature of life from office melodrama and musings at the laundromat to imaginative settings of fantasy mythology and dystopia our writers show us that harmony takes many forms nutmag 8 harmony also hosts the muara writing prize winners for english and bahasa malaysia organised with the george town literary festival 2024

in the east in the light of the west rudolf steiner compares the spiritual traditions of eastern and western cultures through the lens of anthroposophy he examines how eastern mysticism emphasizes transcendence and inner dissolution while western esotericism focuses on individuality freedom and moral development steiner argues that humanity's future lies in

harmonizing these two streams uniting meditative inwardness with outward ethical action based on a series of lectures this work blends comparative religion esoteric christianity and philosophical anthropology it remains one of steiner s key texts for understanding global spiritual evolution and the deeper dialogue between civilizations

messages from heaven about the near future of our world by our lord and saviour jesus christ and our mother of salvation holy virgin mary virgin mary is god s final preacher god is always trying to lead man away from self destruction he sends his preachers he sends his teachers but these are snuffed out their words are not listened to and their invitations are rejected so finally he has sent me i am his final teacher his final prophet i am his last opportunity to change the course of history there is no one behind me no other message no other signs than the ones that i will give when i tell the world that it must listen to me i am not speaking from a selfish and arrogant spirit i am speaking as one who sees the destruction the hopelessness of mankind if my words are not heeded the third of five books from 2011 until 2015

easily the most significant book yet published on the battle of the little bighorn paul I hedren western historical quarterly gray has applied rigorous analysis as no previous historian has done to these oft analyzed events his detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer no one will be able to write of this battle again without reckoning with gray thomas w dunlay journal of american history gray challenges many time honored beliefs about the battle perhaps most significantly he brings in as much as possible the testimony of the indian witnesses especially that of the young scout curley which generations of historians have dismissed for contradictions that gray convincingly demonstrates were caused not by curley but by the assumptions made by his questioners the contrasts in this book restate the basic components of what still attracts the imagination to the little bighorn los angeles times book review gray s analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time as a contribution to custer and indian wars literature it is indeed masterful jerome a greene new mexico historical review john s gray was a distinguished historian whose books included the acclaimed centennial campaign the sioux war of 1876 custer s last campaign is the winner of the western writers of american spur award and the little bighorn associates john m carroll literary award

after a sacred peak suddenly erupted a special group was sent to investigate but they weren t

the only ones an opposing faction also answered the call now as they are pushed ever deeper into the bowels of this battered world by the whims of higher powers they must also learn along the way to work together if they are to successfully complete their newfound mission to rescue and escort back to the surface a very special young one for it is claimed that she alone might be the offering the world was longing for and as such there are many that would like nothing more than to lay their hands on her

the light of self awakening the inner radiance of consciousness by laing z matthews there are books that tell you what to believe and books that teach you how to see the light of self belongs to the second kind written as both revelation and reflection this seminal work explores light as the living essence of consciousness not as symbol or metaphor but as the original condition of existence itself drawing from daoist internal alchemy hermetic cosmology buddhist clear light meditation and modern physics laing z matthews unveils the luminous continuum between cosmic radiance and human awareness the structure of illumination divided into four movements the mystery of light the anatomy of luminosity living in the light and the return to source the book moves from cosmogenesis to embodiment guiding the reader through the physics and metaphysics of awakening each chapter unfolds as a contemplative rhythm rather than argument blending philosophy neuroscience and sacred poetry into a single act of remembrance that light does not come from the sun or stars but from the awareness that perceives them key insights the cosmological birth of light how darkness gives rise to illumination the daoist anatomy of body breath and spirit as mirrors of heaven and earth the heart as the furnace of dao where energy refines into virtue and compassion the alchemy of emotion sexuality and mortality into radiant consciousness meditative methods for perceiving the white born of emptiness without leaving the body the final recognition that the light within the reader is the same light that reads these words a new science of seeing like the tao of physics the secret of the golden flower and the radiance sutras this work dissolves the boundary between mysticism and science matthews language is both precise and devotional each page a mirror polished to reflect stillness itself the light of self can be read linearly or opened at random like scripture its rhythm is its message this is not a book of doctrine but of direct perception an experiment in awareness the trilogy of light the light of self stands as the first volume in laing z matthews trilogy of light followed by the light of the worlds and the womb of light together they form a modern cosmology of consciousness light not merely seen but lived

the prism world of analesia is in danger dangolo the ice lord has frozen many of the plants and creatures living there and plans to freeze the whole world but an unlikely hero is summoned from our world to save analesia and its inhabitants preteen sally has just discovered an odd celtic charm in a thrift store with her nana but is unprepared for what the charm expects of her she is thrust into analesia and told she is the next light princess a hero destined to save analesia sally is doubtful that she an ordinary girl can save an entire world but knows she must try anyway as she befriends the local creatures and journeys across the land the world around her begins to change watercolors turn to vibrant jewel hues frozen animals begin to awaken and hope returns to analesia once more will sally s light and warmth be enough to save analesia or will the prism world be frozen forever
