a meticulous and engaging history of one of the largest and most powerful pueblos richly illustrated with drawings from the sixteenth century to the nineteenth

no one denies that the institution of collective bargaining between workers and employers has been a powerful tool for social dialogue without our history of effective collective bargaining there would be no mutual understanding no industrial peace no constructive cooperation between social partners yet there is a feeling today that this history has drawn to a close that our post industrial world demands something different something our tradition of collective bargaining and collective agreements cannot give us what information and insight can we gather to verify or challenge this feeling this was the first major question addressed by the distinguished delegates to the twenty seventh world congress of labour and social security law held at montevideo 2 5 september 2003 the aim of the conference was to discover current problems regarding the existing structures and functions of collective bargaining in industrialized countries today problems readily identifiable in the context of economic globalization falling union density the increase in atypical and knowledge based workers and the tertiarization or declining economic importance of manufacturing based industry this bulletin contains some of the most important papers devoted to this major theme of the conference it presents twenty national reports each written by a scholar well versed in the law and practice of collective bargaining in the country covered two introductory reports deal with such general issues as the varying

competences of representatives under different legal systems labor union representation within the public sector the development of collective bargaining in ec law the levels and structures of collective bargaining practice and the widening gap between the relevant legal norms and real situations the national reports were drafted on the basis of a questionnaire which appears as an annex this allows the reader to easily compare the solutions set forth for consideration in the various countries under review the actors of collective bargaining will be of great value for all practitioners and academics in the field of industrial relations

la experiencia de dos jovenes medicas que deciden prestar su servicio social obligatorio en la selva colombiana una historia que atrapa al lector desde el principio hasta conducirlo a un fi nal inesperado un lugar donde las leyes y las costumbres se detienen en el tiempo y donde hombres y mujeres luchan por sobrevivir en la cruenta batalla por la dignidad humana

since 2007 and the economic meltdown caused by the financial crisis our societies have been evolving in different ways new political movements have emerged in southern europe and new social movements in pursuit of common concerns are playing a more active role in our daily lives in a parallel way after the failure to predict the financial crisis economist and social science researchers seek fresh thinking and new models that can better explain this new reality regulations are of critical importance in shaping the welfare of economies and society thus core legal disciplines are exploring the effects of the financial crisis on social rights labour market regulations and civil common law or international law among others with no doubt the economic crisis has deeply impacted our economic social political and legal environment during the last decade researchers from a wide range of disciplines have been looking for solutions now it is time make a side stop on the way and to gather results the 1rst international sbrlab conference finding solutions for a post crisis society is organized by the social and business research lab sbrlab universitat rovir i virgili it is as an international and virtual meeting point of interdisciplinary research and researchers the purpose of this international conference is to bring together researchers from management economics political social and legal disciplines in order to present and discuss new trends in their respective fields
